

Please consider the following guidelines as you write your book review:

1. Did you agree with everything in the book? Disagree?
2. Was there anything that particularly impressed or bothered you?
3. Did you like the books design and layout? Was it easy or difficult to follow?
4. Was the information practical?
5. Was the book easy or difficult to read?
6. Is the book something for every dentist or is it an especially good book for a particular group (such as new dentists, established dentists, specialists, general dentists, etc.)?
7. Is it appropriate for the dental team?
8. What were your overall impressions of the book?
9. Would you recommend it to your fellow dentists?

Book reviews should be 500 to 1,000 words and may be emailed to jrunyan@floridadental.org. Book reviews will be published on the FDA [website](#), although please note that not all submissions can be used.
