MEMORANDUM

DATE: January 31, 2009

FROM: James F. Walton, III, DDS
FDHF President

SUBJECT: 2009 Humanitarian Awards

The Florida Dental Health Foundation is accepting nomination for its annual Humanitarian Awards. Previous winners of this award include Drs. Robert Ettleman, Ivis Corbo Alvarez, Bernardo A. Villela, Kenneth Mundy, Waldo Scales, Phillip Crawford, Frank Boyar, and Dr. Bill Johnson.

Two winners will be chosen, one for services performed within Florida and one for charitable work throughout the U.S. and in third world countries.

Following tradition, the Humanitarian awards will be presented during the first session of the Florida Dental Association's House of Delegates during the Florida National Dental Convention in Orlando. The Foundation is asking your association or organization to provide the names of nominees who would meet the criteria for this prestigious award.

Determination of the winners is done through an election process by the FDHF Board of Directors.

If your association or organization wishes to nominate an individual for this award, please complete the attached nomination form and return to the FDHF office by **April 1**. Backup materials, such as newspaper or magazine articles or photograph may be included.

Please note that non-winning nominees will automatically be considered for the following two years.

Providing Access to Care for Florida's Underserved

FLORIDA DENTAL HEALTH FOUNDATION

"Humanitarian Award"

Nomination Form

The Florida Dental Health Foundation "Humanitarian Awards" will be presented to two Florida licensed dentists who are involved in volunteer dental access programs. One award will focus on charitable service in Florida and one for charitable service within the United States and / or a developing country. These programs would include, but not be limited to, provision of free dental services to underserved population groups such as migrant and indigent adults, the disabled, and children. Outside Florida, this could include dental programs for the general population which would be considered underserved and have a high need for dental care. The nominee could also be involved in the management or administration of any one of these types of dental access programs.

Please return completed application to the Florida Dental Health Foundation, 1111 E. Tennessee St., Tallahassee, FL 32308. Newspaper, magazine articles, letters and photographs may be included.

Deadline for submission is April 1, 2009.
