Recommended Leadership Development Materials

Presented by the Leadership Development Committee

The ADA has pertinent leadership materials available on the ADA Center for Professional Success, Leadership Institute website. The LDC has taken on the task of reviewing the materials on that website. This will help FDA members access the ADA materials and help determine applicability of the ADA leadership material.

Recommendation Provided By	Recommended Material	Author	Type	Recommended for Leadership?	Why?
J. L. L. L. J.		Tutiloi	1,pc		The speaker covers
					many areas of
					leadserhip and
					development of
					leadership. In addition,
