

## The 1:1 Fully Customized Dental Coaching Program

Building a thriving dental practice isn't just about clinical excellence—it's about mastering business systems, leadership, and patient engagement. The IGNITEDDDS 1:1 Dental Coaching Program is designed for dentists who want a hands-on, personalized roadmap to success and creating their self-determined future. *All in for \$60k.*

## THE DIFFERENCE

Unlike other coaching programs, we don't deliver theory & expect you to make it happen - we:

**TRIPLE THE TIME INVESTMENT:** 3X more 1-on-1 customized guidance, ongoing accountability, and real-time problem-solving—every month!

**HOLD YOUR HAND THROUGH EVERY STEP:** No guessing. We work with you to implement systems, optimize workflows, and develop your team, making sure nothing falls through the cracks.

**USE REAL WORLD EXPERIENCE + REAL WORLD RESULTS :** What worked 3 years ago is no-longer viable! Unlike many coaches who have stepped away from dentistry—or have never been there, we're in the trenches. Our practices allow us to adapt quickly to industry shifts and provide guidance that's relevant, up-to-date, and immediately actionable.

## THE GAINS

**Financial Control:** 5X your investment by increasing production, collections & reducing overhead.

**Leadership Mastery:** Build a self-sufficient team that runs with or without you.

**Efficiency & Systems:** Implement streamlined, sustainable processes that increase productivity and reduce stress.

**Case Acceptance Growth:** Learn patient-friendly communication strategies that increase treatment acceptance.

**Work-Life Balance:** Gain the confidence and structure needed to work smarter, not harder, so you can enjoy your career without burnout.
